

YouTube Live Stream Checklist

Set Up:

- Turn iPad on (passcode is 525252)
- Ensure the iPad is securely attached to the tripod mount
- Connect iPad to tripod
- Ensure the iPad is level (tripod bubble)
- Connect audio setup (if applicable)
- Ensure your audio (either iPad or audio set up) is where you'll need it to be. This can be accomplished by using the iPad's camera to record a test video. After you record, playback the video to listen to the audio.
- Check internet connection (settings tab)
- Locate YouTube scheduled event (Do not go live until you are ready to begin)

If you have issues before the event begins, call Public Affairs at DSN 452-6555 or Civilian 0656561-6555
