

# Spangdahlem Recycling and Waste Disposal Information

## Base Recycling Center

The Base Recycling Center (BRC) is located at Bldg 64, towards the back gate near the Golf Course clubhouse. The BRC **accepts treated and untreated wood, glass, metal, electronics, plastic, cardboard, mixed trash, Styrofoam, most household hazardous materials, used cooking oil, compostable grass and tree cuttings, and bulk trash.** The BRC does NOT accept Yellow Bags.

On-base and off-base residents are welcome to recycle on all days.

**Contact the BRC at DSN 452-7460 or 06565-61-7460**

Find them on Facebook 

## Food Pantry

Food should not go into the trash! Whether you go on vacation, TDY or PCS - donate rather than dispose of your food. One option would be the Food Pantry in Bldg 441. Please route donations through the Penny Lane Thrift Shop. Their Email is spangdahlemABfoodpantry@gmail.com (see middle column for more contact info).

**Only manufacturer sealed and non-expired items will be accepted.**

## Other On-Base Disposal Locations

Sep 2023

**Glass recycling bins** are located throughout the base. Use for glass jars and bottles only, not drinkware, light bulbs, or ceramics. Segregate glass by color: clear/white, brown, or green/blue.

**Paper recycling bins** are located throughout the base. Use for clean newspaper, colored and white paper, and smooth and corrugated cardboard only. Soiled paper should be disposed in the trash.
