

**DEPARTMENT OF THE AIR FORCE  
52D FIGHTER WING (USAF)**

MEMORANDUM FOR ALL 52 FW SQUADRONS AND TENANT ORGANIZATIONS

FROM: 52 FW/CC

SUBJECT: 52 FW Environmental Commitment Statement

1. The mission of the 52 FW is to deliver agile airpower options to joint and allied commanders. The 52 FW recognizes its responsibility to pursue its mission in a sustainable manner, reduce pollution and avoid adverse environmental impacts.

2. Throughout the 52 FW, military and civilian employees will strive to:

a. Maintain an effective Environmental Management System and participate organizationally on the 52 FW environmental cross-functional team.

b. Sustain mission operations and maintain compliance with Air Force, U.S. and Final Governing Standards – Germany requirements by continuously improving environmental processes.

c. Reduce pollution by taking actions to minimize or eliminate emissions to the environment and reduce waste.

d. Promote energy and water conservation and the sustainable use of resources.

e. Build environmental concerns into all guidance, programs and missions and encourage mission partners, stakeholders and housing residents to do the same.

f. Foster training and awareness through environmental education and community involvement.

3. My point of contact for this matter is Herr Christian Thurner, 52 CES/CEIE, at 452-7257 or christian.thurner.1.de@us.af.mil.

4. This memorandum supersedes all previous memorandums, same subject.
