MEMORANDUM FOR 52 FW SQUADRONS AND TENANT UNITS

FROM: 52 FW/CC

SUBJECT: 52d Fighter Wing (52 FW) Environmental Commitment

1. In accordance with Department of the Air Force Instruction (DAFI) 32-7001, Environmental Management, paragraph 3.1.2., the 52 FW recognizes its responsibility to pursue its mission in a sustainable manner, preventing pollution and avoiding adverse environmental.
2. Throughout the 52 FW, military and civilian employees will strive to:
 - a. Integrate Environmental Management System (EMS) requirements into all programs and Missions and participate organizationally in the Environmental Cross-Functional Team (CFT).
 - b. Maintain compliance with applicable international laws and agreements, applicable U.S. laws, regulations - such as the DoD Final Governing Standards-Germany (FGS-G) and considering regional/local environmental concerns - through continuous improvement of environmental processes.
3. The point of contact for this matter is 52 CES/CEIE (Environmental), at DSN 452-7257 or by email at 52ces.ceie@us.af.mil. This memorandum supersedes all previous memoranda.

A handwritten signature in black ink, appearing to read "W. D. Lutmer", is positioned above the typed name.

WILLIAM D. LUTMER, Colonel, USAF
Commander
